Believing without seeing

It is hard to believe something when it seems really, really amazing doesn’t it? When somebody tells us about something that is really big or really fast or really incredible we will often say, “I need to see it to believe it!” because we doubt whether it is true or not. Doubting is when you say, I don’t know …. I don’t know if that is true …. I will believe it when I see it.”

Is it ok that we doubt? Sometimes we have so many questions about Jesus, such as: “Is he alive? Did he really rise from the dead?” Even when we don’t get the answers we still should put our trust in Jesus. Jesus says that we should be able to believe him without seeing everything for ourselves; but at the same time, he is very patient with us. We should never be afraid to ask Jesus questions.

Jesus: Even though we did not see you rise from the dead or we can’t see you; we know that you are there and you live in our hearts. We want to thank you for everything that you do for us. Because you gave your life for us, we have to believe and trust in you Jesus, so that we can also be Believers in you and your word.
